## Flack Resigns as Track Coach

**Frank Kanaly, M. I. T. Offered Position by Athletic Board.  
No Chance for Return of Art Smith**

For the last few months the track coaching situation at the University has been a subject for gossip among the alumni and other track enthusiasts. The resignation of Howard W. Flack, since 1920 cross country, relay

Howard W. Flack

and track coach and for the past two winters coach of the basketball team, was presented to the University authorities Monday of this week. The Athletic Board has placed before Frank Kanaly, for 16 years the builder of the Massachusetts Institute of Technology system of track and field athletics, the opportunity to become the track mentor at the University. A decision from Kanaly is expected within the week.

For several weeks the knowledge that the restoration of Art Smith to his old position as track coach and trainer would please many of the younger alumni athletes has been given an airing in the newspapers and in private consultation of the athletic authorities. The decision of the Athletic Board at its meeting May 17 definitely places Smith out of the running even in the event that

Frank Kanaly does not accept the position offered him.

Coach Flack completes three years coaching at the University during which time his cross country and basketball teams have been uniformly successful. In 1921 the cross country team won the New England championship after losing the State title, but in 1922 both titles were clinched. A good basketball team represented the University under Flack's system in 1921; the state title was annexed in 1922; and this past winter 9 out of 17 games were victories in a schedule that took Maine against some of the best teams in the country.

Flack has been popular with the student body and the athletic and University authorities and has been a booster for every form of University athletics.

## Alumni Day Plans Announced by Committee

Honors in the 1923 Alumni Day program will be centered upon the five living members of the class of 1873 who are expected to return June nine to celebrate their golden anniversary.

The Alumni Day Committee consisting of Edward H. Kelley '90, chairman, Albert L. Whipple '04, Benjamin C. Kent '12, and Weston S. Evans '18, has endorsed the general type of program offered for Alumni Day in the last four years and in addition has perfected the attention to details which will give everyone a rousing good time.

### Alumni Registration

Registration headquarters will be located in the corridor of Alumni Hall where, from 7 A. M. to midnight, Thursday, June 7 to Saturday, June 9, an attendant will make arrangements for the comfort of all returning alumni, alumnae and former students.

### Accommodations

All single alumni returning will be quartered in Oak Hall where cleanly accommodations will be provided. Alumnae will be assigned to Balen-

tine Hall or to some well recommended private home. Married couples returning will be assigned comfortable quarters as near to the campus as possible. Meals will be served at the dormitories at \$1.50 per day. Lodgings \$ .50 up.

### Fraternity Banquets

The following fraternities have reported alumni banquets:

Phi Gamma Delta, 6.30 P. M., Sunday, June 10.

Phi Kappa Sigma, 9.00 P. M., Friday, June 8.

Sigma Phi Sigma, 9.00 P. M., Friday, June 8.

Alpha Tau Omega, 6.00 P. M., Sunday, June 10.

Sigma Chi, 6.00 P. M., Sunday, June 10.

Phi Eta Kappa, Informal get-together, Sunday evening, June 10.

### Alumni-Varsity Ball Game

More than ordinary interest is being paid to the plans for the alumni-varsity ball game Friday afternoon, June 8. The fact that the alumni players signed up were stars in college, all of whom have played the game actively since graduation, is a sure indication that a real battle will be forthcoming.

Capt. Abbott '14

### Alumni Banquet

The good fellowship and jollification which marked the Alumni Banquet of a year ago will prevail at the banquet this year, so the Alumni Day Committee prophesies. Because of lack of space in the Gymnasium, tickets will be limited to alumni, faculty and the members of the Senior class who will attend as the guests of the University. Tickets should be purchased at the Registration Booth in the corridor of Alumni Hall. The seating will be by classes following a procession from the green in front of the Experiment Station.

## Editorial

**Track Success in track and Policy field athletics, in common with other forms of athletics, generally comes from the trinity of average human material, experienced coaching, and fitting competition. Close followers of University of Maine track and field athletics since the war are agreed that the competition afforded Maine track teams has been such as to develop track athletes, but that the human material which has confronted the coaches has not been the equal of that which faced Art Smith in the days when track championships were in vogue. There will be no dispute of the assertion that a mental giant in track and field athletics has been lacking since Art Smith's time.**

The Athletic Board has recognized the lack of these factors mentioned and rightly has come to the conclusion that the present scarcity of material all the more demands a tried and proven coach of more than ordinary ability.

The negotiations opened with Frank Kanaly, former champion athlete and wonder coach at M. I. T., are in line with this policy. If Mr. Kanaly decides to cast his lot with the University of Maine and is given time to put his system into operation, there will be but one result, the return of the old-time track championship.

## Another Defeat by Bowdoin

Maine was crushed by Bowdoin 11 to 1 on Alumni Field May 17 in the second baseball encounter between the colleges. The game was played in a drizzle and in spite of the weather conditions few errors were committed.

Jack Jowett started for Maine and for once wilted under the steady attack of the Bowdoin batters. He was replaced by the left-handed Repscha who pitched a creditable game.

Bowdoin made 13 hits for a total of 11 bases, netting 11 runs, while Maine made 10 hits for a total of 12 bases and crossed the plate once.

Maine lost the game with the poorest base running witnessed on Alumni Field in years. Maine hit the ball well and had several chances to score.

Bowdoin started in the first, when Morrill walked, was sacrificed to second, and scored on Needleman's safe drive to left field. They gathered two more counters in the third, when Morrill singled and McKechnie booted

Smith's grounder over second which should have been converted into an easy double throw.

Needleman then drove a long hit to the running track in left field, which should have been good for three bases, but the Bowdoin outfielder, badly crippled by charley-horse, held up at second, Morrill and Smith scored on the hit. In the fifth, Bowdoin bumped Jowett and Repscha, who relieved him, for six hits which with an error by Dunham netted them six runs.

Morrill, first man up, singled. Needleman doubled, Small, Alfred, Davis, Jones and Johnson drove successive base hits and when the smoke cleared away, Bowdoin was nine runs to the good. After this inning, Repscha, who relieved Jowett with one out in the fifth, pitched fairly good ball. Bowdoin scored one run in the ninth on hits by Johnson and Needleman.

Maine had several chances to score. In the third, Foster singled, McKechnie walked, but the next two batters were easily put out. In the fifth, Foster doubled, and was out at third

## Your Part in the Campaign

There is every indication that the Memorial Fund Campaign will ultimately be successful. There is a serious doubt, however, whether or not the alumni objective of \$500,000 will be reached prior to June 9. The reason for this situation is very clear to the Memorial Fund Committee. Had the Field Workers carried on their solicitation as rapidly in the early part of the campaign as they now are doing, there would have been no question as to the outcome of the campaign on June 9.

Subscriptions are just beginning to pour into the headquarters office at Bangor. Workers should redouble their efforts again and everyone should co-operate with the Workers to make the Fund assured by June 9.

You, as a potential subscriber to the Fund, should make up your mind now that you will give and give generously to the Fund. In the closing hours of the campaign, when a Field Worker approaches you, remember that he has already made his subscription and that he is giving his services gladly without hope of reward. Your duty is clearly defined. Settle the amount of your subscription within the next few days and then make your subscription.

when he tried to stretch it. Repscha followed him with another two-base hit. McKechnie flied to Small and Repscha, thinking two were out, kept on running to the plate, and was doubled off second.

In the seventh, Maine had another spasm of hectic base running, when three hits and two errors produced only one run. Lunge singled to right, but was thrown out by Jones trying to make second. Jones dropped Osgood's fly, Stearns singled, and an error by Johnson filled the bases.

Repscha drove a clean single to left, scoring Osgood. Stearns with the bases full, started for third, turned back to second, and was forced at third base, Needham to Smith. Foster stopped between first and second with Repscha on first. Smith threw to second and Davis tagged Stearns, who had gone back to the bag.
